

The utility is designed especially for the writers and bloggers to turn their existing documents into unique, attractive articles, with better readability. It uses words and phrases with similarity to the existing ones and replaces them with the desired ones. Words are displayed in a list and can be added, edited, or deleted. An unlimited number of synonyms can be added. The number of words displayed can be modified. You can view the synonyms in different parts of speech. WordFlood Key Features: - Rich Text Editor: Use the provided rich text editor to insert images, table of contents, style the text, bold, italic, underline, capitalize and capitalize the first letter of sentences, and even split sentences with a single click. - Synonyms: The application allows you to add synonyms. You can search for words, phrases, and select from a list of synonyms. You can choose to replace a word with a synonym or choose between different synonyms. - Spell Check: Use the spell check to check the text for misspelled words. You can then add the misspelled words or the words that were suggested by the spell check. - Customizable Panel: You can change the colors, the font, font size and font style to the best of your liking. You can also add custom panel by defining the area, location and style. - Word Count: The word count is provided for the convenience of the writer. You can add more words or words in different parts of speech. - Reversible Plagiarism: The application comes with Reversible Plagiarism. If you detect the potential of plagiarism, you can reverse the changes with a single click. - Comment Your Replacements: You can add comment to the replacements to mark the text as rewritten. - Custom Dictionary: You can import your own dictionary. If you don't want the application to look up words in the dictionary, you can choose to disable that feature. - Tablet Support: You can use the application on your tablet devices. Keywords: Article Marketing, Writing, Content, Editing, B2B, Article Writing, Marketers, Texting, Marketing, Marketing Articles, Word Processing, Social Media, Social Media Articles, Social Media Marketing, Writer, Blogging, Writing Articles, Online Marketing, E-mail Marketing,
