version of X-Moto from  
an downloadkeygen.  
looks like the serial  
code is stored in your  
game folder with the X-  
Moto.exe file. You can  
open X-Moto.exe in  
your file explorer and  
search for the serial

---

code (you'll have to rename the file to something else like 'xmoto.xml' or something like that).

Then you can paste the serial code to a notepad and open it and search for the key (wait until it

---

is highlighted to paste).

Q: Inserting row in a  
html table using JQuery

AJAX not working I  
have a table in my.html  
page. Below is the code

for my table. Year

Month Day Hour
